

# PRODUCT DATA SHEET

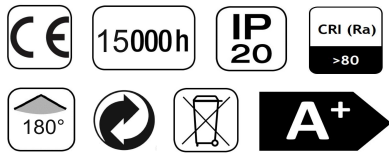

## A60 | 15W

**Superlight®**

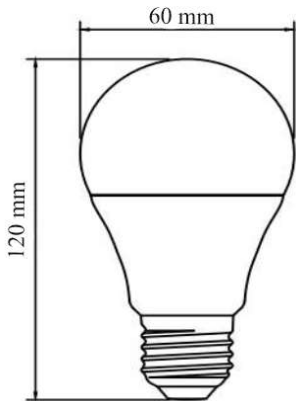

### Features:

Brand	Superlight
Wattage	15W
Equiv. Wattage	Halogen 88W
Voltage	175-250V AC
Lamp Base	E27
Luminous Flux	1350Lm
Luminous Efficacy	90Lm/W
Dimensions	φ60x120mm
Lifetime	15.000 hours
LED Type	SMD 2835
Beam Angle	180°
IP Rating	IP20
CRI%	>80
PF	>0.5
SDCM	4
Colour Temperature	3000K°/4000K°/6500K°
Energy Efficiency Index (EEI)	A+
Material	Aluminum+ Plastic
Weight	40g
Warranty	One year

### Dimensions:

### Advantages:

- High efficiency-energy saving over 80%
- Long life-15000 hours under normal use
- Eco friendly-no environmental-harmful elements
- Reliable-excellent driver system & efficient heat management
- High quality light without IR or UV radiation
- Fast response even in low temperature
- Compact size fits most fixtures
