

PRODUCT DATA SHEET

A60- 12W D.O.B

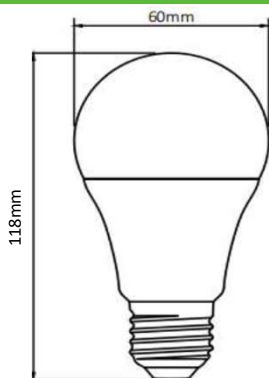

Features:

Brand	Superlight
Wattage	12W
Equiv. Wattage	Halogen80W
Voltage	220-240V AC
Lamp Base	E27
Luminous Flux	1200Lm
Luminous Efficacy	100Lm/W
Dimensions	φ60x118mm
Lifetime	15.000 hours
LED Type	SMD 2835
Beam Angle	180°
IP Rating	IP20
CRI%	>80
PF	>0.5
Colour	3000K/4000K/6500K
Material	Aluminum+ Plastic
Weight	40g
Warranty	One year

Superlight®

Dimensions:

Model No : A60 LED 12W D.O.B

Colour Rendering Index CRI:

Advantages:

- High efficiency-energy saving over 80%
- Long life-15000 hours under normal use
- Eco friendly-no environmental-harmful elements
- High quality light without IR or UV radiation
- Fast response even in low temperature
- Compact size fits most fixtures

Product Features:

- Using high lumen SMD light source.
- No flashing, no noise, no radiation and energy saving.
- This product can show high brightness, without seeing the lamp itself.
